

本学の課外活動等における当面の対応について

[COVID-19 Interim Measures] Guideline for Upcoming Activities / Events

We appreciate your continuous cooperation with our safety measures. Thanks to your cooperations, under this COVID-19 circumstances, we could hold a graduation/completion ceremony and now it's official to hold a ceremony for new students as well.

Now then, we have been asking you to refrain from group activities, however, as of April 5(Tue.), we updated the guidelines. With this new measures, we'd like to welcome new students warmly and safely.

Although we ease some restriction this time, the measure for party-restriction are decided to remain for now. You may have been thinking to hold a party because of the Government's measure, but, we strongly ask you to refrain from parties such as welcoming party or socializing party, etc.

Not only refraining from parties, please always bear in mind to minimize the risk of infection, and take responsibility with your actions.

UT's infection cases: party (at home / restaurant) , karaoke, videogame gathering, etc.

〈Measures for Extracurricular Activities 課外活動等の取扱い〉

The activities/works can be permitted on the condition that you pay the closest attention to avoiding infection risks.

However, the activities listed below should be avoided.

- 1. Gathering to eat, parties, etc.**
- 2. Overnight/Travel Activity**
- 3. Holding events opened to public** (events that the large number of unspecified people may come)
- 4. Participating in the event opened to public** (events that the large number of unspecified people may come)

Note: The activities 2 to 4 listed above require a special permission to engage. If you are planning to conduce those activities, check the guidelines “筑波大学課外活動における団体活動開始ガイドライン(Guideline for Re-Starting Activities)” and “課外活動制限下における団体活動に関する申合せ(Arrangements on Group-Activities*JP only)” and proceed with your request.

****NOTE(CAUTION)****

You MUST follow the measures or guidelines that your major / program office accounced. Especially, those who study in medical fields must prioritize its own rules over the rules aboves.

<<Request for Continued Cooperation 引き続きお願いすること>>

- Continuing basic safety measures; Wearing Mask, Handwashing with Soap, Avoiding “Three Cs (Closed spaces/Crowded places/Close-contact settings),” Air-ventilation, Consulting to medical institutions.
- Refraining from the gatherings without face-mask (party, having dinner / lunch together, etc.)
- Activities with PCR (, etc.) negative test results is recommended.
- Sharing the member’s Health Observation Report(健康観察記録) with Clubs’ / Circles’ advisor (faculty or staff member) & Having a proper activity-record system.
