

**INTERDISCIPLINARY & INTERNATIONAL PERSPECTIVES ON DIVERSITY AND INCLUSION: EFFECTIVE APPROACHES IN EDUCATION**

The College of Education and Human Ecology and University of Tsukuba

**For Attendees in US:**  
February 11, 2021  
7:00PM-10:00PM  
Eastern Standard Time

**For Attendees in Japan:**  
February 12, 2021  
9:00AM-12:00PM

This conference is jointly presented by researchers from the College of Education and Human Ecology at The Ohio State University (OSU) and Faculty of Human Sciences and Faculty of Health and Sports Sciences at University of Tsukuba (UT). The purpose is to present and discuss potential collaborative research topics which involve researchers from OSU and UT regarding diversity, inclusion and education. During this 3-hour session, faculty members from the fields of sports sciences, sociology, psychology, education, and special education will a) synthesize research studies pertaining to inclusive education in the field and identify research gaps and b) propose potential and collaborative research topics. The conference is free and open to the public.

**CONFERENCE TOPICS:**

Meeting the Needs of All Learners: Sensory Impairments and Developmental Disabilities

Diversity and Inclusion in Education

Diversity and Inclusion in Health and Physical Activity

Diversity and Inclusion in Sport

**Welcome and Opening Remarks**
