Link between Academic Goal and Coursework	Nowadays, organizing skills and experiences of conferences, symposia, or events represent valuable assets in any workplace (research institutions, public agencies, UN bodies, private companies, NGO/NPO, etc.). Leadership is another crucial skill needed in today's global society that requires specific competence to coordinate effectively teamwork in order to reach the final goals of a collective project, such as organizing conferences.
Course Objective	<ul style="list-style-type: none"> ○ To get accustomed to formal expression in English and successfully practice them following an indicated time schedule while playing the role of a chairperson at an UN-type conference. ○ To understand the significance and means to exercise leadership in various settings such as an international conference or an event-organizing team. ○ To develop abilities necessary to identify potential problems and to apply risks mitigation strategies. ○ To be able to behave and communicate in an appropriate ways towards organizers and participants at international events. ○ To acquire skills and mindset to positively listen to others, and to make yourself understood by participants in gaining their trust.
Course Overview	Students will experience how to manage an international conference as a conference

	<p>chair, a committee chair, and/or a MC. They will acquire management skills for organizing an international event by being involved in the Tsukuba English Model United Nations (TEMUN) steering committee. In the classes, students will learn specific terms and expressions to conduct a conference, and practice their knowledge during the preparatory course (see the syllabus of the course 01ZZ331). Through the participation in the TEMUN committee, students will practice their leadership skills, will plan and implement PR strategies and thus, will learn to overcome own passivity and fears and to become actively engaged during the event. During the TEMUN conference (see the syllabus of the course 01ZZ321), students will aim to formally speak and behave, in experiencing to carry out a conference following the rules of procedure. After TEMUN, there will be a post-event meeting for reviewing the experience.</p>
